Special Equipment	Inverter, holiday lights, batteries, more lights, and..... bring a toy for drop off.		
Trail Description	Our first stop will be at our local Fire Department just off Santiago and Hewes St. where we will drop off the toys, so please do not forget to bring an unwrapped toy for the kids. From there we will head out to see the lights of the local lights in the area. We have found some very nice areas for viewing this year that are just amazing looking. So, come on out, brave the cold and share some hot cocoa and cookies with us. Hope to see you there. Rob and Karen
