RUN ANNOUNCEMENT

Cleghorn Ridge – Sugarpine Mountain

Trail Description	<p>Easy/moderate: Road 2N47 is fairly smooth most of the way except for a steeper, rougher section going over Cleghorn Mountain. The tougher alternate route varies to fun and moderate. There are bypasses around all the tough sections which make this trail easy.</p> <p>Cleghorn is a unique trail that makes it difficult to give an accurate trail rating. It really depends on the route you choose. It is a solid 2 rated trail with some very serious 4+ Offshoots.</p> <p>Sugarpine is a simpler trail with some shelf trails. Depending upon trail conditions the day of the run, the trail could be a 2 or 3.</p>
