Run Description	3N69 Gold Mountain is a challenging trail in the Big Bear lake area. This trail is a very popular trail and also holds a Jeep Badge of Honor designation from Jeep USA. The trail holds spectacular views of the Baldwin Lake and the city of Big Bear. This Trail has some challenging sections, a rock garden, and steep grades all do-able with a moderate lift. The off-camber sections are sure to test your abilities but can be overcome with the right lines. Once we reach the top of the Mountain we will break for lunch before continuing on. Time permitting we may head over to another trail. Don't forget to bring your camera, chair, lunch, water, etc.
