Trail Description	Onyx Summit and Pontiac Sluice, both trails are accessed on the Baldwin Lake side of the Mountain and are trails that have many opportunities to hone our Off-Roading Techniques. These trails are Steep and Rocky in places and offer some good off-camber moments. At the Trail Head, you might feel a little nervous but that feeling will subside after you conquer that first obstacle. You will soon understand your vehicle and trust your ability opening a whole new Off-Road World. Respect the Trail and you will be fine. REMEMBER Rocks are our Friends and Keep that Hood Level.
