

Anza Borrego Scenic Run (E)

When: Saturday, April 12, 2025

Meeting time: 7:30 am with an 8:00 am start time. Salton City. Location given at time of RSVP

Run Leaders: Mark and Darlene Chadwick, RSVP required. moto.head@verizon.net

Description: This is an easy scenic run. But 4wd (no awd) is required in case of weather-related obstacles. This is a combination of paved and graded dirt roads.

The first stop will be Fonts Point overlooking Borrego Badlands.

We will proceed to Borrego Springs and view the many metal sculptures in the surrounding area.

The next leg of this journey will be up Coyote Canyon to view the different desert flowers. Due to the rainfall we have witnessed, flowers should be plentiful. We understand the trail above the water crossing may be closed due to damage from the rain. We'll play that by ear.

Bring a lunch and we'll plan a stop somewhere in between.

Accommodations: Along with the numerous hotels/motels and RV camping around Borrego Springs, dry camping in the desert is plentiful.

Hope to see you there!
