(<https://www.onxmaps.com/offroad/trails/us/california/miller-jeep-trail-20w06>)

Run Date: September 27th, 2025

Run Leader: Jeff Stubbert 714-244-6784 jstubbert@yahoo.com

RSVP Required: Yes, email to jstubbert@yahoo.com include your cellphone for any last-minute communication via text.

Trail Description: This run consists of Lockwood Creek (steep switchbacks and a water crossing or two) and Miller Jeep Trail (2 mile trail up the side of Alamo Mountain full of frequent but short rock obstacles)

Logistics: We will meet at Frazier Park Flying J. Located at 42810 Frazier Mountain Park Rd Lebec, CA 93243. Please be fueled and ready for the drivers meeting at 8:30 AM

Communications: We will use Dirt Devil Prime: 145.585. If you don't have a radio, let me know in your RSVP and I will see if I can source a handheld unit for you to borrow.

Minimum Equipment Requirements:

- I recommend 33" tires on a short wheelbase and 35"s on a longer wheelbase.
- Front and rear recovery points
- At least one locker

Equipment Suggestions:

- Rock sliders will not eliminate the possibility of body damage but may reduce its likelihood or severity.

Miscellaneous: Pack a lunch and bring chair as we will be stopping on the trail for lunch.
