

Moab April 19 – 26, 2025

Trail Leader: Alan Cleveland. Please RSVP to alansdirtdevilruns@gmail.com. Both Saturdays will be used as travel days.

The condo address that I booked is 3418 La Camino Drive - Castillo de las Rocas, Moab, UT 84532.

I used the website vacasa.com. If you look up the address of the condo that I selected there are numerous open condos in that area. This is approximately the same complex that I have previously stayed in which had ample parking for trucks/trailers if you planned on towing your rig out there.

I plan on running the following trails:

- Fins and Things
- 7 Mile Rim
- Flat Iron Mesa
- Bartlett Overlook
- Golden Spike
- Steel Bender

This trail list is not permanent and could change based on last minute closures/unexpected issues.

I plan on running the trails in easiest to hardest order (which is the order above). Since Easter Jeep Safari will still be happening on Sunday the 20th we might move things around. As of now this is the plan.

If you are interested in going please RSVP to alansdirtdevilruns@gmail.com

Minimum vehicle requirements: 35 Inch tires Front and rear lockers Front and rear tow points Having a winch is highly recommended

If you believe you have a vehicle that is capable of making the trip (i.e. you only have one locker) please reach out to me and we can discuss it.

I am trying to make this a memorable trip with the least amount of stress for everyone involved.

If you are interested in attending please RSVP to the above listed email address. Please also reach out to me via my cell phone at 949-395-5504.
