

# Run Announcement

## Matino Wash (D)

**Run Date:** November 22, Saturday

**Trail Leaders:** Ray Kleinhuizen

**RSVP:** Yes, to trail leader Ray Kleinhuizen (Cell 714-300-9656) email: [raykaayy@gmail.com](mailto:raykaayy@gmail.com) This run is limited to 10 vehicles that meet the special equipment requirements. Club members have priority until a week before the run.

**Camping:** No, day trip

**Permits Required:** No, but it's always a good idea to have an Adventure Pass

### Trail Description:

Matino Wash is a hard core 4X4 trail. There are several rocky sections that will test the driver's skill. The trail winds through a narrow canyon with several rocky areas to navigate. The first ½ mile is the most challenging, including a pretty good squeeze. It also has a bunch of off-shoots for optional obstacles, should you choose to do them. Most have different line options with varying degrees of difficulty. At the end we will be heading up to Onyx Summit off Hwy 38 near Big Bear

Near the start of Matino Wash

**Difficulty:** Most Difficult

**Special Equipment Required:**

35 inch tires, front and rear lockers and full skid plates are recommended. A good condition spare tire is required. Good ground clearance and attachment point front and rear recommended.

**Reminder to Bring:** Bring lunch and extra water, chairs, basic tools, shovel, camera, extra clothing, etc

**Weather:** If it is raining, the trip is canceled due to possible flash flooding.
