

# Run Announcement

## Rattlesnake Canyon

**Run Date:** November 22, Saturday

**Trail Leader:** Randy Smith

**RSVP:** Yes, to trail leader Cell 951 833 0189) email: [rsmith1236@charter.net](mailto:rsmith1236@charter.net)

**Trail Description:** Rattlesnake is more a scenic trail than hard core 4x4 trail. The trail starts in Johnson Valley and goes up through the Bighorn Wilderness toward Pioneer Town. It is a moderate trail that passes through a narrow canyon with soft sandy soil and some rocky sections. There are a few places where rocks can get moved around and make getting through more challenging.

**Difficulty:** Moderate

**Special Equipment Required:** High ground clearance with limited slip or lockers, 31 inch tires recommended. Possibility of tire damage is high. A good condition spare is required.

**Reminder to Bring:** Bring lunch and extra water, chairs, basic tools, shovel, camera, etc

**Weather:** If it's raining the trip is canceled due to possible flash flooding.
