High Desert Roundup (HDR) May 23-25 California Four Wheel Drive Association (Cal 4 Wheel) runs this annual event. The event includes several trail runs, a raffle, Saturday BBQ dinner, games and loads of fun for all participants. The event is held at the Slash X Cafe on Hwy. 247 south of Barstow in the Stoddard Valley Off-Highway Vehicle Area. Camping is available.

See the Cal 4 Wheel web site (<https://www.cal4wheel.com/events/hi-desert-roundup>) for more HDR information and event registration.

The Dirt Devils are leading the Devils Loop trail on May 24 & 25. This trail run is open to 50 vehicles in 2024 we had 50 vehicles on Saturday. We need a good turnout by the Dirt Devils members to help lead this run so all participants have a good experience. We run this trail one direction on Saturday and the opposite direction on Sunday.

Special Equipment: 33 inch tires and at least one locker is recommended. Skid plates armor and a spare tire are recommended.
