subject line write "DDdishpan"

Please RSVP Limit 10 rigs

Ham Channel: 146.580 MHz (DD1)

Difficulty: 3+ on a scale of 1- 5, rear locker required 35" tires

Key Obstacle: "The Waterfall" is a steep, rocky, heavily rutted section that challenges even built rigs.

Lunch on the trail

After pre-running DishPan I decided to run the trail up hill.

Starting at Lake Arrowhead, exiting at Green Valley or if there is time, continue on Holcomb Valley Road to Holcomb Creek.

DishPan is a little more difficult than I remember it, a couple years ago.

Bushes along the side have grown, making parts of the trail narrow possibly scratching your beautiful paint.

Meet up: Lake Arrowhead Hwy 173 & Hooke Creek Rd
coordinates 34.25403395466653, -117.17350298400173

On the corner is a gas station, just past the gas station on hwy173 is a small grocery store, Cedar Glen Fine Foods.

We will be performing trail maintenance, please bring trash bags, shovel, small saw.
